Missionary Meeting

Mrs. E. M. Hoff, Mrs. T. E. Sisson, Mrs. L. B. Dowell and Mrs. T. D. Mouser were hostesses to the Woman's Foreign Missionary Society at the M. E. parsonage Wednesday afternoon of last week with a large membership present.

Mrs. Bigger led the devotions which was followed by an interesting program.

Prayer, Rev. Hoff.

Song, "Tidings of Peace," by the society.

Lesson, "Influence of the Bible on Civilization," by Mrs. H. D. Hall.

Readings, "Seen in Japan" by Mrs. Landree and "Tithers of the Time" by Mrs. Fletcher.

Duet, "Send the Light," by Rev. Hoff and Mrs. Flo Shell.

Dialogue by Misses Wilson, Thurman, Chinn and Gould.

The Mystery Box was conducted by Mrs. Hall and Miss Edith Hamilton. Many enjoyed the "Trip to Boston" on the main line or "side track" by the way of the mystery box.

During the social hour the hostesses served dainty refreshments.

A number of guests were present.

A short meeting of the Ladies Aid Society was held at the close of the Missionary Society.

These meetings are growing in interest and attendance. Come, and enjoy them.

Methodist Episcopal Church

E. M. Hoff, Pastor.

The union service last Sunday morning was well attended considering the very unfavorable weather and the address by Major Hairs was well received. The organization of a Public Welfare League committee will be perfected as soon as possible.

Next Sunday morning at 11:00 o'clock we will observe Mothers' Day. There will be special music, a sermon to mothers and a token of the day will be furnished each mother. We cordially invite all the mothers to be present.

In the evening all the churches of the town will join in the baccalaureate service.

Road Contracts

Contracts for the construction of more than seventy miles of hard-surfaced roads at a cost of \$1,634,023.64 were let by the Missouri highway commission during the month of April, according to a statement given out by the chairman this week. With contracts to be let in various counties almost every day this month, it is expected the total amount of work authorized in May will exceed the April total.

City Ordinance

Ordinance Bill No. 200 being an ordinance of the city of Laclede establishing oiling district No. one(1) within the corporate limits of the city of Laclede, for the purpose of having the streets within said district so established, oiled with road oil.

Be it ordained by the board of Alderman of the city of Laclede as follows: Section 1. That State street from the south line of Ausmus street, south to the north line of Cole street, and Prairie street from the east line of Olive street, east to the west line of Pine street, and Warlow street from the east line of Olive street to the west line of Pine street, and Vernon street from the East line of Olive street east to the west line of Cedar street, and Cole street from the west line of Pine street west to the west end of said Cole street, and all lots, tracts and parcels of land bordering and abutting upon each side of all of the above designated parts of said streets and all within the corporate limits of the city of Laclede, be and the same is hereby designated, constituted and declared to be established as an oiling district, to be known as Oiling District Number One, for the purpose of having said parts of said streets within said oiling district, so established, oiled with road oil, as hereinafter provided.

Section 2. The oiling of said parts of said streets, in said oiling district, shall have applied thereto an application of what is known as Number 4 Road Oil, twice during each year, at such times as the board of aldermen shall, by resolution, determine, at each application of oil there shall be applied to the surface of said streets, as nearly as can be, one-half gallon of said oil to each square yard of surface oiled, said streets shall be oiled to a width on each side of the center line thereof, as follows: State street from Cole street to Henry street, four yards, and from Henry street to the north line of Vernon street eight yards, and from the north line of Vernon street to the north line of Prairie street four yards, and from the north line of Prairie street to the south line of Ausmus street three yards. Said Prairie street from Olive street to State street three yards and from State street to Pine street two yards. Said Warlow street from Olive street to Pine street three yards. Said Vernon street from Olive street to State street four yards and from State street to Cedar street three yards, and said Cole street from Pine street to the west end of said Cole street three yards.

Section 3. The said work of oiling said streets shall be done by the city, or the Board of Aldermen may, by ordinance, have the same done under contract as provided by Section 8501 of the Revised Statutes of Missouri of 1919. If said work of oiling said streets is done by the city, the same shall be under the direction of the street commissioner subject to the supervision and direction of the mayor and board of aldermen, and an accurate account kept of the cost thereof, by the city, and the cost of each application of oil shall be carefully tabulated, ascertained and determined and assessed and charged as a special tax against each lot, tract and parcel of land fronting and bordering upon the parts of said streets where said oiling has been done, the same to be done by ordinance adopted by the board of aldermen, each

lot, tract or parcel of land liable for said special tax shall be charged in the proportion the linear front feet thereof bears to the total number of linear front feet of all property chargeable with said special oiling tax aforesaid, and special tax-bills shall be issued therefor in favor of the city and collected as may hereafter be provided by ordinance, all of which shall be provided by the above named section of the statutes of Missouri.

This ordinance to take effect and be in force from and after its adoption and approval.

Adopted by the Board of Aldermen of the city of Laclede and approved by me this 3rd day of May, 1921.

Geo. O. Plowman,
Mayor of the city of Laclede.

Attest: M. P. Benson,
City Clerk.

The Baptist Church

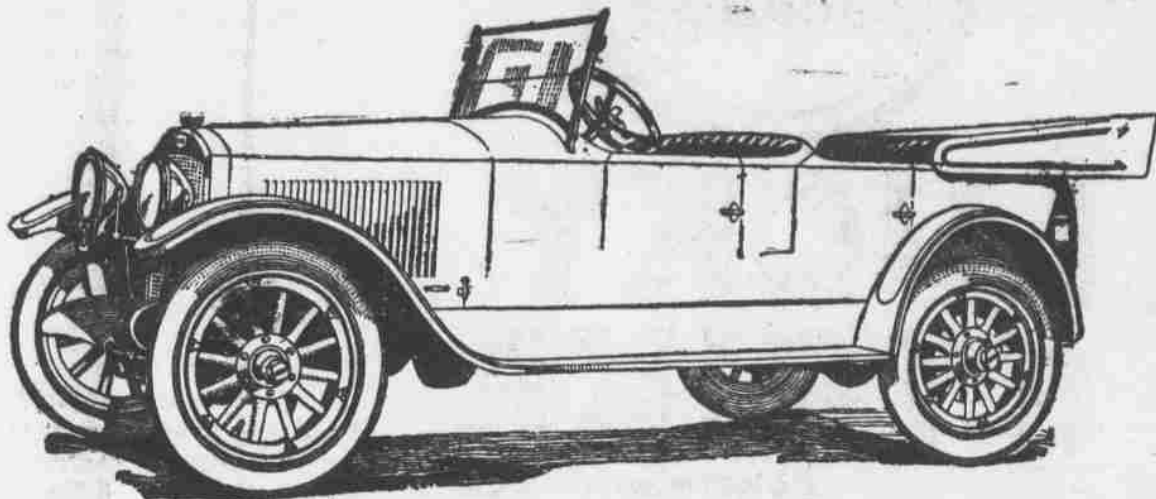

Ralph A. Craig, Pastor.

All regular services will be held next Sunday. Sunday school at 9:45. Preaching service at 11:00. Mother's Day will be observed. In the evening we will attend the Baccalaureate services at the Methodist church. Prayer meeting Wednesday evening at 8 o'clock.

Those who were not at the business meeting last Thursday evening missed a treat. Dr. Walters, field secretary for Steven's college was with us and gave a very interesting talk on the work done by that institution, one of the best of its kind in the west.

Why Women Prefer Auburn Beauty-SIX

THERE are two reasons why Auburn Beauty-SIX is meeting such marked favor among women drivers today—reasons that mean as much to MEN as they do to WOMEN. One reason is the singular freedom from trouble that comes as a result of Auburn's soundness in design and construction.

Another reason is Auburn's extreme ease of handling. The gears shift quietly, easily; the clutch of special design, engages smoothly, with a minimum of effort for the driver; steering is remarkably free from strain in this easy-driving car.

The experience of 21 years' continuous automobile manufacture goes into Auburn Beauty-SIX. It is fundamentally right. Do you wonder that Auburn dependability is the talk among Auburn owners everywhere? Do you wonder that operating cost is minimized in this soundly-built car?

A swift, silent, 55 h. p. motor; exclusive torque arm construction; annular ball-bearing transmission; extra large brake drums insuring maximum safety—these are only a few of many distinctive features that makes Auburn Beauty-SIX an outstanding value in today's motor car market.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.
